MUSIC FORWARD

WE ARE THE FUTURE OF LIVE

***TRANSFORMING LIVES.
INSPIRING LEADERSHIP.
CHAMPIONING INCLUSION.***

Music Forward celebrates over 30 years of service. Our work is focused on workforce development, creating pathways to careers across the music and live entertainment industry, and focusing on communities so often underrepresented in the industry.

Music Forward provides young people with paid internships, apprenticeships, mentorship from industry professionals, networking opportunities, and access to paid performances.

Music Forward removes barriers to ensure that under-represented voices have a bridge into the music industry and life-long sustaining skills. And in turn, the industry becomes more accessible, vibrant, and inclusive for all.
